POLICY LAST UPDATED: 04 | 02 | 2020

OVERVIEW

This **TEMPORARY** policy documents the waiver of cost share in accordance with the **Families First Coronavirus Response Act (Public Law No. 116-127)** which requires group health plans (both fully insured and self-insured) and group and individual health insurance plans to cover office, urgent care and emergency room visits associated with obtaining the COVID-19 diagnostic tests or for the determination of the need of such testing.

During the timeframe this policy is in effect, BCBSRI will suspend authorization or referral requirements for the services in this policy.

Refer to the policies for **TEMPORARY** Coronavirus (COVID-19) Diagnostic Testing and **TEMPORARY** Telemedicine/Telehealth and Telephone Services Effective 03/18/2020 in the Related Policies section.

This policy is effective for dates of service on or after March 18, 2020.

Blue Cross & Blue Shield of Rhode Island (BCBSRI) reserves the right to implement and revoke this policy without the contractual sixty-day (60) notification for a change in policy that is normally required under BCBSRI contracts with its providers. This would apply both for the effective date, due to the urgent and emergent nature of a pandemic, as well as for the withdrawal of the policy.

Notice of the implementation, update or withdrawal of this policy will be communicated to BCBSRI providers via a notice on BCBSRI's provider website/portal under Alerts and Updates.
