

Payment Policy | Claim Timely Filing – Inpatient Level of Care Appeals and Observation

EFFECTIVE DATE: 03|01|2020

POLICY LAST UPDATED: 08|02|2023

OVERVIEW

This policy documents the timeframe requirements of Blue Cross & Blue Shield of Rhode Island (BCBSRI) for providers to submit a claim for observation level of care when an inpatient level of care has been denied and all levels of internal and external appeals have been exhausted.

This policy does not impact the provider's responsibility for the timely filing of the initial inpatient claim.

MEDICAL CRITERIA

Not applicable

PRIOR AUTHORIZATION

Not applicable

POLICY STATEMENT

Medicare Advantage Plans and Commercial Products

BCBSRI requires prior authorization for all inpatient level of care. In the event of a denial of an inpatient level of care, there are several levels of appeal for Commercial members and one level of appeal for Medicare Advantage Members available to providers.

In the event of the following; whereby the provider exhausts their appeal rights or chooses to stop the appeal process:

- the service remains denied; and
- the initial timely filing timeframe for a claim (180 days from the date of service) has elapsed based on the initial date of service; or
- there is shorter than sixty (60) days from the date of the final appeal denial;

The provider may then elect to submit a claim for observation level of care. However, such submission of a claim for observation level of care must be done within sixty (60) calendar days from receipt of the last notice of appeal denial/the appeal response letter.

Special Handling Form:

In order to submit a claim for observation services for payment consideration and avoid BCBSRI's standard timely filing timeframe/denial rule, the hospital must submit a claim on paper along with a copy of the last appeal denial letter and an Observation Level of Care Timely Filing Appeal Special Handling Form located on BCBSRI.com. To access the Special Handling Form, please navigate to the Provider section of BCBSRI.com and select "Forms" from the menu located on the left side of the page.

Any appeal requests that do not follow this process or are otherwise submitted outside of the sixty (60) day timeframe will be administratively denied by BCBSRI, assuming the new claim is submitted outside of the standard one-hundred one eighty (180) day timeframe.

Please note there is no appeal or exception process related to this policy. If a provider's claim for observation services is denied after the sixty (60) day extension period there is no further consideration or contractual rights related to appeal. Any such request will be returned to the provider referencing this policy.

COVERAGE

Benefits may vary between groups and contracts. Please refer to the appropriate Benefit Booklet, Evidence of Coverage or Subscriber Agreement for applicable benefits/coverage.

BACKGROUND

Claims Submission and Payment

This administrative payment policy and procedure was created to allow for BCBSRI to providers to exhaust all allowed levels of appeal for the inpatient level of care and allow for payment of a lower level of care (e.g. observation level) so that the provider has the opportunity to be compensated for their services without having such claim denied for timely filing.

Required Information

The submission of a claim for observation services shall follow all BCBSRI operational and administrative requirements as well and national correct coding rules.

This medical policy is made available to you for informational purposes only. It is not a guarantee of payment or a substitute for your medical judgment in the treatment of your patients. Benefits and eligibility are determined by the member's subscriber agreement or member certificate and/or the employer agreement, and those documents will supersede the provisions of this medical policy. For information on member-specific benefits, call the provider call center. If you provide services to a member which are determined to not be medically necessary (or in some cases medically necessary services which are non-covered benefits), you may not charge the member for the services unless you have informed the member and they have agreed in writing in advance to continue with the treatment at their own expense. Please refer to your participation agreement(s) for the applicable provisions. This policy is current at the time of publication; however, medical practices, technology, and knowledge are constantly changing. BCBSRI reserves the right to review and revise this policy for any reason and at any time, with or without notice.
